QUOTABLE

By Tom Stein

"Many churches seem cold and unwelcoming to visitors, but almost every church thinks it's friendly. Why?"

"Because the members are friendly with their friends. They greet everyone who greets them. This is not noteworthy."

"Genuine love keeps an eye open for the quiet, the awkward, and the friendless, and seeks them out."

- From "The Sermon on the Mount" by Dan Doriani

ANGEL TREE!

This Sunday and next Sunday, you will be able to pick up angels from the angel tree to purchase gifts for children of prisoners.

New folks are especially encouraged. For more information, contact Susan Cougill.
